For Residential Programs (i.e., TT Mentorship & Retreat and TT Practicum & Retreat): Please see 2 Options:

- 1) Residential Registration Fees ~or~
- 2) Commuter Registration Fees. Commuter fees are slightly higher than residential fees to accommodate a commuter's use of facility amenities, (swimming pool, hot tub, croquet, etc.), and pre-arranged entertainment discounts (special meals, boating, manatee tours, health spa, etc.) made through Integrated Health Care Systems. The registration date is also later for Commuters as we do not need to consider the Room Block with the hotel.

Continuing Education: Course Registration Fees include CEs for one discipline only, i.e. RN or LMT or LCSW, etc. except for Early Bird Discounted Programs where CEs are +\$25. If additional CE's are desired, (i.e., both RN and LMT), add \$35 per additional discipline.

Payment Plan: TO ARRANGE A PAYMENT PLAN, PLEASE CALL INTEGRATED HEALTH CARE SYSTEMS FIRST. Payment Plans apply to the Full Registration Fees. Contact IHCS for further information and to arrange a Payment Plan that works for you. The way it works: After speaking with IHCS, send a minimum deposit of \$100 to reserve a space in the Program. If a Payment Plan is elected, a signed letter outlining the dates your payments will be made must accompany your deposit. If only one additional payment will be made, please give date and sign this form. Balance will be paid on _____, as prearranged by telephone with _____ at IHCS.

Please Note: If you are unable to make payments on time, it is your responsibility to contact IHCS for revision of your Payment Plan in advance of payment due date.

Cancellation Policy: The Cancellation Policy varies for each program. Consult program information for details or call for questions. All Cancellations must be received in writing and postmarked as per posted program cancellation dates to receive registration refund minus a 15% processing fee. After the specified cancellation date, registration may be transferred as a down payment toward another course within the same calendar year. If not utilized within the calendar year, an additional 15% transfer fee added to the original registration fee will apply plus any course fee increases.

Program Changes: IHCS reserves the right to make program changes as necessary, and the right to cancel a program if minimum enrollment has not been reached or events occur beyond reasonable control.
