So that we may anticipate and provide for your needs, it is important for you to **indicate whether you have any psychological or physical medical conditions and whether you wish to receive Therapeutic Touch.** Please describe any ongoing health conditions you have. (This in no way prejudices your application).

List previous Therapeutic Touch workshops attended. Indicate instructor(s), the length of the workshop and whether it was basic, intermediate, advanced or further level of study. Attach additional sheets if necessary. A TT focused resume may be included if desired.

Describe your professional background or lay health related activities:

List your Interests and any additional activities related to Therapeutic Touch:
List goals regarding your Therapeutic Touch practice in one year and five years from now, and how do you visualize those goals being achieved?

Section B – For Those Wishing to be Mentored (Please Complete Section B Only.)

Section C - For Advanced Practitioners/Teachers/Qualified Therapeutic Touch Teachers (Please Complete Below Section C Only)

Section B – For Those Wishing to be Mentored

Please evaluate your strengths and weaknesses as related to Therapeutic Touch:

1. What are your personal objectives in participating in the TT Invitational Mentorship Program?
2. Have you taken a Mentorship Program previously? If so, what years and where?
3. What suggestions for mentoring would be most helpful and meaningful to you at this time?
4. Do you practice other healing therapies? If so, which ones?

Section C - For Advanced Practitioners/Teachers/Qualified TTT

This is a dual program held in conjunction with the TT Invitational Mentorship Program. For Advanced Practitioners/Teacher/Mentors and those who are credentialed, please share your thoughts and answers as they relate to the following questions about your interests and participation in the program.

1. What topics for group discussion would be of interest to you? Topics will be created from interests of advanced participants.
2. Would you like to present something from your experience with TT or something you don't yet know about however would like to explore? i.e. Clinical experiences, research, teaching/mentoring issues or ideas? Anything else?
3. Would you like to facilitate a discussion on a topic of your choice? If so, what topic?
4. Would you be interested in selecting an article or a piece of research on TT to explore and share with others?
5. This time is intended to enhance your participation as a collaborative experience in TT with other advanced practitioners. If none of the above interests you, how do you suggest spending this time together?
6. If you'd like to brain storm ideas on how to make this time more meaningful for you, please call Shirley at 727-867-2666, Ext 1#.
